Citizenship

Year 9

9P are involved in a Citizenship programme with Erne Integrated College. This 'See You See Me'

programme is organised by the Verbal Arts Centre. We hosted the first day here in the College and will visit the Integrated College on Thursday 5th and Enniskillen Library on Friday 13th and Monday 30th November.

Years 10 & 11

St Michael's has become involved in an Education for Reconciliation programme. This is a Cross Border programme for Citizenship Education teachers.

Miss Curran's 100 Drama class is working on the theme of conflict. The pupils have produced work which was used as exemplar material at the recent Education for Reconciliation conference in the Killyhevlin hotel.

11R and 11T are working on the 'Policing Matters' resource. This is a resource that the late Sergeant Gary King was involved in. It was officially launched at the Education for Reconciliation conference in October.

Year 13

20 pupils from St. Michael's and Portora Royal School have recently returned from a 4 day trip to London. The highlight of the trip was a visit to the Palace of Westminster where the pupils were given a tour and had the opportunity to question a number of local and national MPs and sit in on Prime Minister's Question Time.

Cross Country

Our cross-country teams have qualified in four age groups (U13,15,17 and 19) for the All-Ireland juvenile finals in Coleraine in early December. Their next outing will be in Ballyclare on Sat Nov 28th.

French Debating Competition

Nov. 2009

Congratulations to the Y14 debating team in defeating Antrim Grammar School in a French Debate on 4th Nov. 2009. St Michael's College was represented by:

Liam Mohan (Team captain), Michael McClean, Jack Kirby and Nathan McSorley.

The team will now move forward to the next stage of the competition with next debate taking place on 16th Dec. 2009.

A special word of thanks to the following Y14 who relentlessly put the team to the test prior to their debate: Niall McCaffrey, Gerard McCrory, Michael Doherty and John Dooris.
